

## Privacy & Policy

- Clorox is and attempts to be sensitive to your privacy on the Internet. Whenever possible Clorox will attempt to treat the information about you we receive over the Internet with care deemed reasonable under the circumstances and ensure that the information you submit is used/disclosed only for the purposes and in the means it is intended for. Clorox uses information provided by you (if any) to measure the use of its site and to improve the contents of its site.
- The personal information we may collect is used only by us to respond to your inquiry, process and order or allow you to access specific account information. Occasionally, we may make the e-mail addresses, of those who provide information, available to other Clorox companies which have equal or better privacy policy than we do.
- At times cookies may be used to provide you with certain information. A cookie is a tiny element of data that a web site can send to your browser, which may then be stored on your hard drive so we can recognize you when you return.
- You may set your browser to notify you when you receive a cookie. Please note that Clorox does not wish to receive any confidential, secret or proprietary information and materials from its site, Facebook page, or in any other way.
- Any information or materials submitted or sent to Clorox will be deemed not to be confidential or secret.
- By submitting or sending Materials to Clorox you (1) warrant that you have no right of any kind to the Materials and that to the best of your knowledge no other party has any right to the Materials; (2) grant Clorox an unrestricted and irrevocable license to use, reproduce, modify, transmit, distribute the Materials, and you further agree that Clorox is free to use any ideas, know-how, concepts or techniques you sent to Clorox for any purpose.
- Note also that Clorox Website contain links to other sites. While we try to link only to sites that share our high standards and respect for privacy, Clorox accepts no liability or responsibility for the contents or the privacy practices employed by other sites.
